"This year has been a great one. The student leaders worked their hardest to try and get things done for the benefit of the students. The students have backed the leaders showing unity in the student body. I can truly say without a doubt that this year has been one of the greatest experiences."

## Good Taste In Dress Week

Don't let 'em bag! Tuck those ragged ruffles under your skirts! The week of October 30 through November 3 Girls' League sponsored *Good Taste in Dress Week* with noon rallies and an all girl assembly with a boy's panel. Girls modeled the "boss" fashions for the day and the "feminine" look for the evening

## Folk Concert

Oh no! Billy Joe McAllister jumped off the Talla hatchee Bridge!

Ode to Billy Joe was one of many performances at the first annual Folk Concert held October 24 under the direction of Mrs. Regina Jensen.

Entertaining the audience were the Martingals, Concert Choir, Girls Chorus II and many featured soloists. For the first time in Coyote history the faculty of this school was seated in a record for future listening enjoyment.

## Visitors

Summertime, a time of new happenings, exciting times and different acquaintances. Terry Wilson, Debbie Wheeler and Jan Stevens found that Europe could host many new customs. Debbie, in the "People to People" program, traveled to many European countries. Jan enjoyed the tradition of "wooden shoes" in Holland. Terry weekendend a trip to Russia, while staying in Finland

## Across The Seas

The hottest import from Germany since the Volkswagen is red-headed, brown-eyed Marion Schmidt. Marion enthusiastically spoke of the classes and kids and thought that the freedom we have is really great. She will be leaving in July, but would like to come back

Varsity football provided, as usual, for a host of hair wing as well as tedious moments. Players such as Gary Decker, who broke the overall rushing record in the game against Nevada and Ernest Stucki, who displayed a fantastic free kick, gave the spirit a reason for existing. New faces such as Sophomore letter man Randy Arner will certainly give the teams of the future a real nucleus.

Under the leadership of captains Bob Andreini, Mike Kovach, and captain Mallich the cross country team ran in balanced form. The big story in cross country this year was a Junior named Reyes. Reyes who had played C water polo the year before, joined the team only this year and ended up with a varsity letter and the school record for the 2-mile course.

Track

It was late in the day in more ways than one. Buena Park was holding on to a slim lead against a rallying Kennedy team with one event left, the mile relay. The Irish took a slim lead in the first quarter mile which broadened with each consecutive lap. By the end of the third lap Kennedy was holding on nicely to a 30 yard lead and then Maesele Rene Maesele, who had won two previous events, went out to win another. With an effort which could only be described by Coach Coburn's fanatically joyful shouts, "Maesele's got guts! He's got guts!" Rene Maesele streaked around the oval to overtake and better his competitors with an important victory and a time of 50.8 seconds.
